

Double No Deposit Bonus Agreement

1. The Double No Deposit Bonus is available for all clients who had already successfully received the No Deposit Bonus and make a deposit of \$10.
2. The term of use of the Double No Deposit Bonus funds received is unlimited.
3. The Client can receive the No Deposit Bonus twice only. It will be credited to one client account after the first deposit. Further deposits do not impact the amount and number of the NDB2.
4. The Double No Deposit Bonus will not be credited if the client makes a few deposits with a total amount of \$10.
5. An own transfer (a transfer from another client account) is not considered as a new deposit. So, the Double No Deposit Bonus cannot be credited based on that, except in cases when the new deposit has been credited to another account due to a client mistake.
6. The amount of the second No Deposit Bonus is \$50 for deposits over \$10.
7. The maximum profit the client can withdraw over the new No Deposit Bonus is \$50. The amount of the deposit does not determine the amount of the profit available for withdrawal.
8. Profit over the bonus should be unlocked according to the formula: 1 traded lot = \$1.
9. The amount available for withdrawal depends on the number of traded profitable lots + deposit funds.
10. The Client can make a withdrawal only once. After the withdrawal, the bonus and the profit will be cancelled.
11. Upon withdrawal, the client withdraws money in the following order: first, the deposit funds and then profit over the bonus. The minimum withdrawal amount is \$10.
12. Trading conditions. The maximum volume of deal when using the Double No Deposit Bonus is 0.5 lot. The level of stop-outs is 50% and the margin call level is 80%.
13. Withdrawal is carried out within 5 (five) working days from the date of filing of the request for withdrawal.
14. If the client withdraws the deposit only, the rest of the bonus funds including profit will be cancelled due to being a part of the Double No Deposit Bonus.
15. SuperForex reserves the right not to provide or to cancel the Double No Deposit Bonus without any prior notice to its customers. Therefore we strongly recommend that customers should not use the bonus funds in calculation of profit in their trading strategy.
16. The Company reserves the right not to consider the amount of traded lots with transaction results between $-\$0.05$ and $+\$0.05$ or equivalent. In case such transactions are detected, the Company reserves the right to recalculate the amount of the traded lots and adjust the withdrawal amount in accordance with the terms of the withdrawal of funds (1 traded lot = \$1/eq). The amount that was blocked returns to the client's trading account.

17. SuperForex is not responsible for any consequences that may arise as a result of cancelling the bonus, including but not limited to Stop Out, as the bonus is the ownership of SuperForex.
18. The Company reserves the right to amend or modify the Bonus Agreement terms without prior notice.
19. By applying for the Double No Deposit Bonus you acknowledge you have read and accepted the terms and conditions of this Agreement.
